SECURITY GUARD TRAINING

SECURITY TRAINING DELIVERED TO THE HIGHEST STANDARDS

Commissionaires offers a comprehensive curriculum of security guard training, taught to Canadian General Standards Board (CGSB) federal standards. This level of training exceeds the industry norm and even provincial standards. Our rigorous training standards ensure each participant is prepared to tackle real-life security guarding scenarios professionally. Courses are led by experienced teachers who are committed to the success of each individual. Training is available for individuals or groups at your workplace, or at Commissionaires training centres across Canada

WHY STUDENTS SHOULD TAKE THIS TRAINING

Commissionaires is the expert when it comes to security guard training. Our courses train students to the highest possible standards and prepare them for required testing. By taking this security guard training course, participants will gain practical knowledge that allows them to immediately apply new skills and experience to their roles as security professionals. Our courses are designed to utilize the life experiences of each participant and build on existing skills for advancement across all levels. Our highly-trained instructors will guide individuals through this program, ensuring the material is well understood and each student has the best chance for success.

When we train students, including our own Commissionaires guards, we train to the exacting standards of the Canadian General Standards Board, at no additional cost. We are one of the few organizations who provide this added level of training.

What our participants are saying:

"Great course for those wanting to enter into the security field."

– Zeeshan Hassan,
Toronto

"It's nice to have a teacher who has had experience in the field and is animated. The use of class involvement was a true bonus. The topics came across very well linked. Very professionally done."

– Joel Knutsen,
Vancouver
